

SOUTH DAKOTA OFF-GRADE *STANFORD 10* ACHIEVEMENT TESTING AND OLSAT[®]8 ABILITY TESTING INFORMATION

South Dakota schools can choose to administer the *Stanford 10* achievement test for all grades NOT being tested with the Dakota STEP assessment. These options include using either the *Stanford 10* Complete Batteries or *Stanford 10* Abbreviated Batteries. Attached is a sheet indicating the subtests that are available in each battery and the approximate times to administer them.

Spring testing levels for both tests are as follows:

Kindergarten – SESAT 2

First Grade - Primary 1

Second Grade - Primary 2

Third grade through eighth grade take the Dakota STEP assessments.

Ninth Grade - TASK 1

Tenth Grade - TASK 2

Eleventh grade takes the Dakota STEP assessment.

Twelfth grade – Since TASK 3 is part of the grade 11 Dakota STEP, testing at this grade is not available.

South Dakota schools can also choose to administer the *Otis-Lennon School Ability Test, Eighth Edition*, (OLSAT[®]8), at any grade including the STEP grades. Following are the levels for testing OLSAT[®]8:

Kindergarten - Level A

First Grade - Level B

Second Grade - Level C

Third Grade - Level D

Grades 4 & 5 - Level E

Grades 6,7,8 - Level F

Grades 9,10,11,12 - Level G

Levels A, B, C, and D are all administered in consumable booklets. Levels E, F, and G are reusable booklets, and the *Stanford 10* answer documents have spaces for students to bubble in their responses to the OLSAT[®]8 items for levels E, F, and G.

Special prices are in effect for South Dakota schools to purchase both *Stanford 10* and OLSAT[®]8 materials. ***Stanford 10* booklets will be available for 25% off of catalog prices and OLSAT[®]8 booklets will be 15% off of catalog prices. There will be NO Volume Discounts applied to materials that have a discount already applied. This discount is in effect until December 31, 2006.** It is recommended that a 10-15% overage of materials is on hand to allow for changes in the number of students to be tested. Ordering instructions for all of these materials is included on South Dakota Order Form, see the Tab for Practice Materials and the Tab for Terms and Conditions.

**OFF-GRADE *STANFORD 10* ACHIEVEMENT TESTING
And/Or OFF-GRADE OLSAT®8 ABILITY TESTING**

If your district is testing with *Stanford 10* and/or OLSAT®8 in the off-grades - K, 1,2, 9, or 10, you will need to submit an order for materials to the Harcourt Customer Support Center using the South Dakota *Stanford 10* Materials Order Form. If you have questions you may call the Customer Support Center at 1-800-763-2306. Once the order is completed, it can be printed and attached to a Purchase Order and faxed in to the Harcourt Customer Support Center at 1-800-634-0424, or emailed to them.

Directions for using the South Dakota *Stanford 10* Materials Order Form:

- 1. Note that there are different pages, tabs, that refer to the OLSAT®8 or *Stanford 10* materials available to SD schools.**
- 2. Fill in the pages that have materials listed that you wish to order.**
- 3. After checking to make sure the amounts are correct, attach it to a Purchase Order, and FAX or email it in to the Harcourt Customer Support Center at Harcourt Assessment. Keep a copy for your records.**
- 4. It is recommended that your FAX Cover Sheet requests confirmation that your order was received by the Harcourt Customer Service Center.**
